JOB TITLE:	AUDIOLOGIST
DIVISION	EXCEPTIONAL CHILD EDUCATION
SALARY SCHEDULE/GRADE:	II, GRADE 9
WORK YEAR:	AS APPROVED BY THE BOARD
FLSA STATUS:	EXEMPT
JOB CLASS CODE:	8126
BARGAINING UNIT:	CLAS

SCOPE OF RESPONSIBILITIES

Provides technical assistance in developing, disseminating, and evaluating procedures for obtaining audiological services. Assists in the identification and evaluation of students who have a suspected hearing loss. Provides consultation and conducts in--service workshops for teachers, parents, and other staff members on topics related to audiology.

PERFORMANCE RESPONSIBILITIES & EVALUATION CRITERIA

Conducts comprehension and periodic audiological assessments for each child enrolled in the hearing impaired program which are appropriate to the child's needs and status and provides appropriate parent and teacher conferences regarding assessment results

Drives a mobile audiological unit in order to provide audiological services at schools which house hearing impaired units

Makes impressions for earmolds and teaches earmold and hearing aid care to teachers, students, and parents

Provides consultations regarding student's use of hearing as it relates to educational strategies and auditory training and conducts in-service workshops for teachers, parents, and other staff members on topics related to audiology

Provides recommendations regarding the selection and purchase of auditory training and audiological equipment and is responsible for distribution of the equipment, the electroacoustic evaluation, and coordinates calibration and repair of such equipment once purchased

Assesses and monitors classroom acoustics and the proper use of amplifying equipment

Develops, disseminates, and evaluates procedures for obtaining audiological services

Assists in the identification and evaluation of students who have a suspected hearing loss and participates in Admissions and Release Committee meetings and assists in the development of individual education programs as needed

Provides consultation to assessment personnel and local school personnel in assessment and placement of students demonstrating significant hearing impairment

Completes all trainings and other compliance requirements as assigned by the designated deadline

Performs other duties as assigned by supervisor

PHYSICAL DEMANDS

The work is primarily sedentary. The work requires the use of hands for simple grasping and fine manipulations. The work at times requires bending, squatting, climbing, reaching, with the ability to lift, carry, push or pull light weights. The work requires activities involving exposure to marked changes in temperature and humidity, and driving automotive equipment.
