Pursuant to KRS 365.734 (House Bill 232 (2014)), if the vendor is a cloud computing service provider (as defined in KRS 365.734(1)(b) as "any person or entity other than an educational institution that operates a cloud computing service," which is defined in KRS 365.734(1)(a) as "a service that provides, and that is marketed and designed to provide, an educational institution with account-based access to online computing services"), or, through service to Jefferson County Public Schools, becomes the equivalent of a cloud computing service provider, the vendor does further agree that:

- The vendor shall not process student data for any purpose other than providing, improving, developing, or maintaining the integrity of its cloud computing services, unless the vendor receives express permission from the student's parent. The vendor shall work with the student's school and district to determine the best method of collecting parental permission. KRS 365.734 defines "process" and "student data".
- With a written agreement for educational research, the vendor may assist Jefferson County Public Schools to conduct educational research as permitted by the Family Education Rights and Privacy Act of 1974, as amended, 20 U.S.C. sec.1232g.

- Pursuant to KRS 365.734, the vendor shall not in any case process student data to advertise or facilitate advertising or to create or correct an individual or household profile for any advertisement purposes.
- Pursuant to KRS 365.734, the vendor shall not sell, disclose, or otherwise process student data for any commercial purpose.
- Pursuant to KRS 365.734, the vendor shall certify in writing to the Jefferson County Public Schools that it will comply with KRS 365.734(2).

ARTICLE 34 - FINAL DISPOSITION OF JCPS DATA

The Contractor agrees, upon termination, cancellation, expiration, or other conclusion of this Contract JCPS data will be made available to JCPS in the format requested by the Board. The Contractor also agrees, that upon termination, cancellation, expiration, or other conclusion of this Contract, and after making JCPS data available to JCPS in the format requested by the Board, the Contractor shall erase, destroy, and render unreadable and infeasible for recovery or re-use, all JCPS data, regardless of its format, mode of storage or location, including such data that may have been provided to the contractor's employees, subcontractors, agents, or other affiliated persons or entities, according to the standards enumerated in NIST Publication 800-88, and certify in writing that these actions have been completed, within 30 days of the termination, cancellation, expiration, or other conclusion of this Contract, or within 7 days of receiving the written request of the Chief Financial Officer or the Chief of Data Management, Planning and Program Evaluation of JCPS, whichever shall come first.

ARTICLE 35 - TERMINATION

Contracts may be terminated by the Board for default or convenience as outlined in the Procurement Regulations.

ARTICLE 36 - EXCLUSIVITY

The school district agrees to use the designated contract supplier(s) as an exclusive source for the various items and services as listed herein as well as for comparable substitutes and supplemental items. The only anticipated exceptions may be in time of emergency or if awarded contractor is unable to provide items or services as required.

ARTICLE 37 - ACCESS TO RECORDS

All contracts over \$10,000 awarded by the School Food Authority, must include a provision to the effect that the School Food Authority, the State Agency, USDA, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract, for the purpose of making audit, examination, excerpts, and transcriptions.

ARTICLE 38 - PENALTY

The designated supplier(s) reciprocally agrees to provide total requirements as listed herein, thereby minimizing occurrences when JCPS may have to seek other interim product sources. Failure to deliver 100% of the items on this list -- within 48 hours -- shall be considered a default.

Successful bidders must have a proven (or believable) record of service, particularly with respect to delivering all items on a regularly scheduled basis, at favorable prices. A distributor may be designated as unacceptable if the requirements listed herein have been previously violated and/or poor communications exist between the seller and JCPS.

Modifications, additions, or changes to the terms and conditions of this Invitation to Bid may be a cause for rejection of a bid. Bidders are requested to submit all bids on the school District's official forms. Bids submitted on company forms may be rejected.

ARTICLE 39 - CERTIFICATION REGARDING DEBARMENT AND SUSPENSION

In accordance with Federal Acquisition Regulation 52.209-5, the vendor shall certify, by submitting the solicitation, that to the best of its knowledge and belief, the vendor and/or its principals is (are) not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any State or Federal agency.

“Principals”, for the purposes of this certification, means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g.,

general manager, plant manager, head of subsidiary, division, or business segment, and similar positions.)

ARTICLE 40 - COST REIMBURSABLE CONTRACTS

The following conditions apply to cost reimbursable contracts:

- Allowable costs will be paid from the nonprofit school food service account to the contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the school food authority;
- The contractor must separately identify for each cost submitted for payment to the school food authority the amount of that cost that is allowable (can be paid from the nonprofit school food service account) and the amount that is unallowable (cannot be paid from the nonprofit school food service account);
- The contractor must exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification;
- The contractor's determination of its allowable costs must be made in compliance with the applicable Departmental and Program regulations and Office of Management and Budget cost circulars;
- The contractor must identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to the school food authority for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit. If approved by the State agency, the school food authority may permit the contractor to report this information on a less frequent basis than monthly, but no less frequently than annually;
- The contractor must identify the method by which it will report discounts, rebates and other applicable credits allocable to the contract that are not reported prior to conclusion of the contract; and
- The Contractor must maintain documentation of costs and discounts, rebates and other applicable credits, and must furnish such documentation upon request to the school food authority, the State agency, or the Department.

Prohibited expenditures. No expenditure may be made from the nonprofit school food service account for any cost resulting from a cost reimbursable contract that fails to include the requirements of this section, nor may any expenditure be made from the nonprofit contractor receiving payments in excess of the contractor's actual net allowable costs.

ARTICLE III Cost

The unit price of the Goods shall be **as listed on tabulation**, said price being that which was quoted to the Board in the bid issued by the Seller on the _____ day of _____. Payment for each unit may be in full within thirty (30) days after receipt of the Seller's invoice and subject to verification of delivery in accordance with the specifications.

ARTICLE IV Modification

The terms and conditions of this Contract shall be modified only by a written addendum, signed by both parties hereto and attached to this Contract. Notwithstanding the right of modification herein set forth, the parties shall not modify the terms and conditions of this Contract in any manner whereby the total cost of this Contract shall be increased by more than ten percent (10%). Any such modification shall be null and void.

ARTICLE V Delivery; Title and Risk of Loss

To effect a delivery of the desired quantity of units of Goods, the Board shall issue a purchase order identifying the time, place and quantity of each individual delivery. (The Board shall accept no delivery for which a purchase order has not been issued, nor shall payment be made by the Board for any such delivery.) Furthermore, the Board shall not accept any substitute goods for those specified on the purchase order.

All goods shall be delivered by common carrier, F.O.B., point of delivery. The Seller shall be responsible for and pay any and all carrying and/or shipping charges. The Board shall accept no deliveries C.O.D. or F.O.B. point of departure. Title and risk of loss to the Goods shall remain with the Seller until the Goods have been delivered to the Board in accordance with this Article.

ARTICLE VI Inspection and Quality of Goods

The goods identified by the purchase order in the manner stated in Article V above, shall be subject to the inspection of the Board's agent at the point of delivery. All Goods shall be of such quality that they shall pass without objection in the Seller's trade or business.

ARTICLE VII Board's and Seller's Remedies

Upon the rejection of the Goods by the Board, or its agent, or upon wrongful rejection by the Board, or its agent, the Board or Seller shall retain any and all rights accruing to them respectively, under the provisions of Chapter 355 of the Kentucky Revised Statutes, Article 2, Sales. All remedies administrative and legal shall be governed by the Board's Procurement Regulations which are hereby incorporated by reference into this Contract.

ARTICLE VIII Termination for Default

The Board may terminate in whole or part any portion of this Contract in any of the following circumstances:

A. If the Seller fails to make proper delivery of any of the goods described within the time specified in the purchase order or any agreed extensions thereof; or
B. If the Seller fails to furnish acceptable goods of a quality which shall pass without objection in the Seller's trade or business.

Upon the Seller's default as set forth above, the Board's agent shall give written notice of default to the Seller, subsequent to the issuance of notice of default, the Board shall allow Seller a reasonable length of time, not to exceed the ten (10) working days, within which to cure said default. Should the Seller thereupon fail to cure said default, the Board shall issue a written order of termination, at which time the Seller shall make no further deliveries and shall not honor any of the purchase orders previously issued by the Board, except those purchase orders which are reaffirmed in the order of termination.

Upon issuance of an order of termination, the Seller shall within ten (10) days from the receipt of the order of termination, prepare a final invoice itemizing all the deliveries accepted by the Board since the previously issued invoice. Payment shall be made according to the terms set forth in Article III. Any dispute arising under this clause shall be governed by Article X of this Contract, entitled "Disputes".

C. In the event the Board terminates this contract in whole or in part, as provided in paragraph (A) or (B) above, the Board may procure upon such terms and in such manner as the Director of Purchasing may deem appropriate, similar goods to those so terminated, and the Contractor shall be liable to the Board for any excess costs for such similar goods, provided, however, the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Article.

D. The Contractor shall not be liable for any excess costs if the failure to perform the Contract arises out of causes beyond the control and without fault or negligence of the Contractor. Such causes may include, but shall not be limited to, the public enemy, actions of the Government of the United States or the Commonwealth of Kentucky in either their sovereign or contractual capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes and unusually severe weather; but in every case, the failure to perform must be beyond the control and without fault or negligence of the Contractor. If the failure to perform is caused by the inability of the Contractor to obtain materials or goods essential to the performance defined in Article II of this Contract, from the Contractor's usual source, the Contractor shall not be liable for any excess costs for failure to perform, unless such materials or goods were obtainable from other sources in time to permit the Contractor to meet its required schedule.

E. If this Contract is terminated as provided in paragraph (A) or (B) above, the Board, in addition to all other rights provided in this Article, may require the Contractor to transfer title and possession and to deliver to the Board, in the manner and to the extent directed by the Director of Purchasing, any and all materials or goods defined in Article II of this Contract in possession of the Seller prior to the receipt of the notice of termination required by paragraph (A) or (B) above. Furthermore, the Contractor shall, upon the direction of the Director of Purchasing, protect and preserve any goods in the possession of the Contractor in which the Board has an interest. Payment for goods accepted by the Board shall be in an amount agreed upon by the Contractor and the Director of Purchasing; failure to agree to such an amount shall be a dispute within the meaning of Article X entitled "Disputes". The Board may withhold from amounts otherwise due the Contractor for goods accepted by the Board such sum as the Director of Purchasing determines to be necessary to protect the Board against loss because of outstanding liens of claims.

F. If, after notice of termination of this Contract under the provisions of this Article, it is determined for any reason that the Contractor was not in default under the provisions of this Article, the right and obligations of the Parties shall be the same as if the notice of termination was issued pursuant to the provisions of Article IX of this Contract.

G. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

Upon issuance of the order of termination, the Seller shall stop all further deliveries and shall not honor any purchase orders which it then holds from the Board except for those purchase orders, which are reaffirmed in the order of termination.
Upon receipt of the order of termination, the Seller shall, within ten (10) days from receipt of the order of termination, prepare a final invoice itemizing all of the deliveries accepted by the Purchaser since the previously issued invoice. Payment shall be made according to the terms set forth in Article III. Any dispute arising under this Article shall be governed by Article X of this Contract entitled "Disputes".

JCPS anticipates requiring approximately 125-130 total lanes, single and/or dual. Approximately 45 lanes are to be installed by December 15, 2023, 35 by May 15, 2024, and 45-50 by August 1, 2024. VENDOR REQUIRED UNIQUE ENTITY IDENTIFIER (SAM)

Your bid is subject to rejection if this form is left blank.

This number is required to be considered for bid award with JCPS:

Information regarding SAM requirement:

By **April of 2022**, the federal government will stop using the DUNS number to uniquely identify entities. At that point, entities doing business with the federal government will use a Unique Entity Identifier (SAM) created in SAM.gov. They will no longer have to go to a third-party website to obtain their identifier. This transition allows the government to streamline the entity identification and validation process, making it easier and less burdensome for entities to do business with the federal government.

The Integrated Award Environment (IAE) manages several systems including SAM.gov, FPDS, eSRS, FSRS, CPARS and FAPIIS. Current SAM.gov registrants have already been assigned their Unique Entity Identifier (SAM) and can view it within SAM.gov. To learn more about this transition, please see the information below. Join and follow [our community on Interact](#) to be notified about the latest news and information about the upcoming Unique Entity Identifier (SAM) changes happening at IAE.

What Action Do I Need to Take?

If your entity is registered in SAM.gov today, your Unique Entity ID (SAM) has already been assigned and is viewable in SAM.gov. This includes inactive registrations. The Unique Entity ID is currently located below the DUNS Number on your entity registration record. Remember, you must be signed in to your SAM.gov account to view entity records. To learn how to view your Unique Entity ID (SAM) [go to this help article](#).

Refer to the [Guide to Getting a Unique Entity ID](#) if you want to get a Unique Entity ID (SAM) for your organization without having to complete a full entity registration. If you only conduct certain types of transactions, such as reporting as a sub-awardee, you may not need to complete an entity registration. Your entity may only need a Unique Entity ID (SAM).

If you operate a system that connects with IAE systems, documentation about using APIs to access SAM.gov is found at [open.GSA.gov](#). The latest version of FPDS ATOM feed includes the Unique Entity ID. FPDS released a crosswalk to populate the Unique Entity ID in contract

When will the Unique Entity Identifier (SAM) be viewable in IAE systems?

If your entity is registered in SAM.gov today, you already have your Unique Entity ID (SAM) and it is viewable in SAM.gov. This includes inactive registrations.

GSA is preparing all IAE systems (SAM.gov, FPDS, FAPIIS, etc.) to display, accept, and/or assign the new Unique Entity ID.
