Pursuant to KRS 365.734 (House Bill 232 (2014)), if the vendor is a cloud computing service provider (as defined in KRS 365.734(1)(b) as "any person or entity other than an educational institution that operates a cloud computing service," which is defined in KRS 365.734(1)(a) as "a service that provides, and that is marketed and designed to provide, an educational institution with account-based access to online computing services"), or, through service to Jefferson County Public Schools, becomes the equivalent of a cloud computing service provider, the vendor does further agree that:

- The vendor shall not process student data for any purpose other than providing, improving, developing, or maintaining the integrity of its cloud computing services, unless the vendor receives express permission from the student's parent. The vendor shall work with the student's school and district to determine the best method of collecting parental permission. KRS 365.734 defines "process" and "student data".
- With a written agreement for educational research, the vendor may assist Jefferson County Public Schools to conduct educational research as permitted by the Family Education Rights and Privacy Act of 1974, as amended, 20 U.S.C. sec.1232g.
- Pursuant to KRS 365.734, the vendor shall not in any case process student data to advertise or facilitate advertising or to create or correct an individual or household profile for any advertisement purposes.
- Pursuant to KRS 365.734, the vendor shall not sell, disclose, or otherwise process student data for any commercial purpose.

- Pursuant to KRS 365.734, the vendor shall certify in writing to the Jefferson County Public Schools that it will comply with KRS 365.734(2).

ARTICLE 35 - FINAL DISPOSITION OF JCPS DATA

The Contractor agrees, upon termination, cancellation, expiration, or other conclusion of this Contract JCPS data will be made available to JCPS in the format requested by the Board. The Contractor also agrees, that upon termination, cancellation, expiration, or other conclusion of this Contract, and after making JCPS data available to JCPS in the format requested by the Board, the Contractor shall erase, destroy, and render unreadable and infeasible for recovery or re-use, all JCPS data, regardless of its format, mode of storage or location, including such data that may have been provided to the contractor's employees, subcontractors, agents, or other affiliated persons or entities, according to the standards enumerated in NIST Publication 800-88, and certify in writing that these actions have been completed, within 30 days of the termination, cancellation, expiration, or other conclusion of this Contract, or within 7 days of receiving the written request of the Chief Financial Officer or the Chief of Data Management, Planning and Program Evaluation of JCPS, whichever shall come first.

ARTICLE 36 - TERMINATION

Contracts may be terminated by the Board for default or convenience as outlined in the Procurement Regulations.

ARTICLE 37 - EXCLUSIVITY

The school district agrees to use the designated contract supplier(s) as an exclusive source for the various items and services as listed herein as well as for comparable substitutes and supplemental items. The only anticipated exceptions may be in time of emergency or if awarded contractor is unable to provide items or services as required.

ARTICLE 38 - ACCESS TO RECORDS

All contracts over \$10,000 awarded by the School Food Authority, must include a provision to the effect that the School Food Authority, the State Agency, USDA, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract, for the purpose of making audit, examination, excerpts, and transcriptions.

ARTICLE 39 - PENALTY

The designated supplier(s) reciprocally agrees to provide total requirements as listed herein, thereby minimizing occurrences when a school district may have to seek other interim product sources. Failure to deliver 100% of the items on this list -- within 48 hours -- shall be considered a default.

A successful bidder must have proven (or believable) record of service, particularly with respect to delivering all items on a regularly scheduled basis, at favorable prices. A distributor may be designated as unacceptable if the requirements listed herein have been previously violated and/or poor communications exist between the seller and the school district.

Modifications, additions, or changes to the terms and conditions of this Invitation to Bid may be a cause for rejection of a bid. Bidders are requested to submit all bids on the school District's official forms. Bids submitted on company forms may be rejected.

ARTICLE 40 - CERTIFICATION REGARDING DEBARMENT AND SUSPENSION

In accordance with Federal Acquisition Regulation 52.209-5, the vendor shall certify, by submitting the solicitation, that to the best of its knowledge and belief, the vendor and/or its principals is (are) not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any State or Federal agency.

"Principals", for the purposes of this certification, means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g., general manager, plant manager, head of subsidiary, division, or business segment, and similar positions.)

ARTICLE 41- COST REIMBURSABLE CONTRACTS

The following conditions apply to cost reimbursable contracts:

- Allowable costs will be paid from the nonprofit school food service account to the contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the school food authority;
- The contractor must separately identify for each cost submitted for payment to the school food authority the amount of that cost that is allowable (can be paid from the nonprofit school food service account) and the amount that is unallowable (cannot be paid from the nonprofit school food service account);
- The contractor must exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification;
- The contractor's determination of its allowable costs must be made in compliance with the applicable Departmental and Program regulations and Office of Management and Budget cost circulars;
- The contractor must identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to the school food authority for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit. If approved by the State agency, the school food authority may permit the contractor to report this information on a less frequent basis than monthly, but no less frequently than annually;
- The contractor must identify the method by which it will report discounts, rebates and other applicable credits allocable to the contract that are not reported prior to conclusion of the contract; and
- The Contractor must maintain documentation of costs and discounts, rebates and other applicable credits, and must furnish such documentation upon request to the school food authority, the State agency, or the Department.

Prohibited expenditures. No expenditure may be made from the nonprofit school food service account for any cost resulting from a cost reimbursable contract that fails to include the requirements of this section, nor may any expenditure be made from the nonprofit contractor receiving payments in excess of the contractor's actual net allowable costs.

or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor.
