II. BUY AMERICAN

The Buy American provision was added to the National School Lunch Act (NSLA) by Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336). Section 12(n) to the NSLA (42 USC 1760(n)), requiring school food authorities (SFAs) to purchase, to the maximum extent practicable, domestic commodity or product.

The following clause language is suggested but not mandatory:

“Domestic Commodity or Product” are defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States.

“Substantial” means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards SFAs must comply with when purchasing commercial food products served in the school meals programs.

Buy American: Schools participating in the federal school meal programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially (at least 51 percent) using agricultural commodities that are produced in the US.

Federal regulations require that all foods purchased for Child Nutrition Program be of domestic origin to the maximum extent practicable. While rare, two (2) exceptions may exist when: the product is not produced or manufactured in the US in sufficient reasonable and available quantities of a satisfactory quality, such as bananas and pineapple; and competitive proposals reveal the cost of a domestic product is significantly higher than a non-domestic product. ALL products that are normally purchased by Distributor as non-domestic and proposed as part of this solicitation must be identified with the country of origin. Distributor shall outline their procedures to notify School when products are purchased as non-domestic. Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing 10 days prior of delivery date, by the Food Service Director, prior to the delivery of the product to the School. Any non-domestic product delivered to the School, without the prior written approval of the Food Service Director, will be rejected. Distributor must affirm their willingness to assert their best and reasonable efforts to ensure compliance with this federal rule.

JJ. DISCOUNTS, REBATES, ALLOWANCES AND INCENTIVES

The vendor shall fully disclose all discounts, rebates, allowances, and incentives received from its suppliers. The vendor must disclose and return to the Jefferson County Public School District, within a mutually agreed upon timeframe, the full amount of any discounts, rebates, or applicable credits that are received based on any purchases made on behalf of the District.

KK. COST REIMBURSABLE CONTRACTS

The following conditions apply to cost reimbursable contracts:

Allowable costs will be paid from the nonprofit school food service account to the contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the school food authority;

The contractor must separately identify for each cost submitted for payment to the school food authority the amount of that cost that is allowable (can be paid from the nonprofit school food service account) and the amount that is unallowable (cannot be paid from the nonprofit school food service account);

The contractor must exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification;

The contractor's determination of its allowable costs must be made in compliance with the applicable Departmental and Program regulations and Office of Management and Budget cost circulars;

The contractor must identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to the school food authority for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit. If approved by the State agency, the school food authority may permit the contractor to report this information on a less frequent basis than monthly, but no less frequently than annually;

The contractor must identify the method by which it will report discounts, rebates and other applicable credits allocable to the contract that are not reported prior to conclusion of the contract; and

The Contractor must maintain documentation of costs and discounts, rebates and other applicable credits, and must furnish such documentation upon request to the school food authority, the State agency, or the Department.

Prohibited expenditures. No expenditure may be made from the nonprofit school food service account for any cost resulting from a cost reimbursable contract that fails to include the requirements of this section, nor may any expenditure be made from the nonprofit contractor receiving payments in excess of the contractor's actual net allowable costs.

WITNESSETH:

WHEREAS, the Board wishes to purchase certain goods, defined in Article II of this Contract; and
WHEREAS, the Seller issued a bid to supply the Board with said goods upon terms set forth in Article II of this Contract; and
WHEREAS, the Seller deems itself capable of supplying the Board with said goods upon the terms and conditions set forth in this Agreement;
NOW, THEREFOR, in consideration of the mutual promises and agreements hereinafter set forth, the parties hereby agree as follows:

ARTICLE I

The effective term of this Contract shall commence on the _____ day of _____ and shall continue through _____ day of _____, subject to the terms and conditions set forth hereinafter in Articles VIII and IX.

ARTICLE II Definition of Goods

The Seller shall sell to the Board, and the Board shall purchase from the Seller the following materials hereinafter referred to as the "Goods" during the term of this Contract.

The Board shall purchase a minimum number of units of Goods and shall purchase as many of such units as it shall require during the term of this Agreement.

ARTICLE III Cost

The unit price of the Goods shall be **as listed on tabulation**, said price being that which was quoted to the Board in the bid issued by the Seller on the _____ day of _____. Payment for each unit may be in full within thirty (30) days after receipt of the Seller's invoice and subject to verification of delivery in accordance with the specifications.

ARTICLE IV Modification

The terms and conditions of this Contract shall be modified only by a written addendum, signed by both parties hereto and attached to this Contract. Notwithstanding the right of modification herein set forth, the parties shall not modify the terms and conditions of this Contract in any manner whereby the total cost of this Contract shall be increased by more than ten percent (10%). Any such modification shall be null and void.

ARTICLE V Delivery; Title and Risk of Loss

To effect a delivery of the desired quantity of units of Goods, the Board shall issue a purchase order identifying the time, place and quantity of each individual delivery. (The Board shall accept no delivery for which a purchase order has not been issued, nor shall payment be made by the Board for any such delivery.) Furthermore, the Board shall not accept any substitute goods for those specified on the purchase order.

All goods shall be delivered by common carrier, F.O.B., point of delivery. The Seller shall be responsible for and pay any and all carrying and/or shipping charges. The Board shall accept no deliveries C.O.D. or F.O.B. point of departure. Title and risk of loss to the Goods shall remain with the Seller until the Goods have been delivered to the Board in accordance with this Article.

ARTICLE VI Inspection and Quality of Goods

The goods identified by the purchase order in the manner stated in Article V above, shall be subject to the inspection of the Board's agent at the point of delivery. All Goods shall be of such quality that they shall pass without objection in the Seller's trade or business.

ARTICLE VII Board's and Seller's Remedies

Upon the rejection of the Goods by the Board, or its agent, or upon wrongful rejection by the Board, or its agent, the Board or Seller shall retain any and all rights accruing to them respectively, under the provisions of Chapter 355 of the Kentucky Revised Statutes, Article 2, Sales. All remedies administrative and legal shall be governed by the Board's Procurement Regulations which are hereby incorporated by reference into this Contract.

ARTICLE VIII Termination for Default

The Board may terminate in whole or part any portion of this Contract in any of the following circumstances:

- A. If the Seller fails to make proper delivery of any of the goods described within the time specified in the purchase order or any agreed extensions thereof; or
B. If the Seller fails to furnish acceptable goods of a quality which shall pass without objection in the Seller's trade or business.

Upon the Seller's default as set forth above, the Board's agent shall give written notice of default to the Seller. Subsequent to the issuance of notice of default, the Board shall allow Seller a reasonable length of time, not to exceed the ten (10) working days, within which to cure said default. Should the Seller thereupon fail to cure said default, the Board shall issue a written order of termination, at which time the Seller shall make no further deliveries and shall not honor any of the purchase orders previously issued by the Board, except those purchase orders which are reaffirmed in the order of termination.

Upon issuance of an order of termination, the Seller shall within ten (10) days from the receipt of the order of termination, prepare a final invoice itemizing all the deliveries accepted by the Board since the previously issued invoice. Payment shall be made according to the terms set forth in Article III. Any dispute arising under this clause shall be governed by Article X of this Contract, entitled "Disputes".

C. In the event the Board terminates this contract in whole or in part, as provided in paragraph (A) or (B) above, the Board may procure upon such terms and in such manner as the Director of Purchasing may deem appropriate, similar goods to those so terminated, and the Contractor shall be liable to the Board for any excess costs for such similar goods, provided, however, the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Article.

D. The Contractor shall not be liable for any excess costs if the failure to perform the Contract arises out of causes beyond the control and without fault or negligence of the Contractor. Such causes may include, but shall not be limited to, the public enemy, actions of the Government of the United States or the Commonwealth of Kentucky in either their sovereign or contractual capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes and unusually severe weather; but in every case, the failure to perform must be beyond the control and without fault or negligence of the Contractor. If the failure to perform is caused by the inability of the Contractor to obtain materials or goods essential to the performance defined in Article II of this Contract, from the Contractor's usual source, the Contractor shall not be liable for any excess costs for failure to perform, unless such materials or goods were obtainable from other sources in time to permit the Contractor to meet its required schedule.

E. If this Contract is terminated as provided in paragraph (A) or (B) above, the Board, in addition to all other rights provided in this Article, may require the Contractor to transfer title and possession and to deliver to the Board, in the manner and to the extent directed by the Director of Purchasing, any and all materials or goods defined in Article II of this Contract in possession of the Seller prior to the receipt of the notice of termination required by paragraph (A) or (B) above. Furthermore, the Contractor shall, upon the direction of the Director of Purchasing, protect and preserve any goods in the possession of the Contractor in which the Board has an interest. Payment for goods accepted by the Board shall be in an amount agreed upon by the Contractor and the Director of Purchasing; failure to agree to such an amount shall be a dispute within the meaning of Article X entitled "Disputes". The Board may withhold from amounts otherwise due the Contractor for goods accepted by the Board such sum as the Director of Purchasing determines to be necessary to protect the Board against loss because of outstanding liens of claims.

F. If, after notice of termination of this Contract under the provisions of this Article, it is determined for any reason that the Contractor was not in default under the provisions of this Article, the right and obligations of the Parties shall be the same as if the notice of termination was issued pursuant to the provisions of Article IX of this Contract.

G. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

**ARTICLE IX
Termination for Convenience**

Performance of the work under this Contract may be terminated by the Board in whole, or from time to time, in part, whenever the Board shall determine that such termination is in the best interest of the Board. Any such termination shall be effected by delivery of a written order of termination specifying the extent to which the further purchase or delivery of goods shall be terminated, and upon the date which termination shall become effective.

Upon issuance of the order of termination, the Seller shall stop all further deliveries and shall not honor any purchase orders which it then holds from the Board except for those purchase orders, which are reaffirmed in the order of termination.

Upon receipt of the order of termination, the Seller shall, within ten (10) days from receipt of the order of termination, prepare a final invoice itemizing all of the deliveries accepted by the Purchaser since the previously issued invoice. Payment shall be made according to the terms set forth in Article III. Any dispute arising under this Article shall be governed by Article X of this Contract entitled "Disputes".

**ARTICLE X
Disputes**

Any differences or disagreements arising between the parties herein concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article IV of this Contract shall be submitted to the Director of Bids and Specifications or the Executive Director of Facilities/Transportation through procedures set out in the Board's Procurement Regulations, who shall render a decision in writing and furnish a copy of such decision to the Contractor by certified mail, return receipt requested, within thirty (30) days of the date of submission. Upon written appeal, the decision of the Superintendent designee shall be final and conclusive, unless determined by a court of competent jurisdiction to have been fraudulent or clearly arbitrary and capricious or contrary to law.
