#### COMPETITIVE NEGOTIATION ON BANKING SERVICES FOR SCHOOL BASED ACCOUNTS

#### PROPOSAL NO. 3049

#### **QUESTIONS & ANSWERS**

#### **General Questions about the RFP process:**

- 1. Please provide RFP and attachments in electronic editable format The document is available in pdf on the JCPS Purchasing website https://apps.jefferson.kyschools.us/FinanceWeb/bidopps.aspx
- 2. Who is the existing bank(s) providing services? BB&T, Chase, Fifth Third, PNC, and Republic.
- 3. On the Cost Pricing Sheet, responders are to list any additional costs. Is there are particular format to use? Format is left up to the responder. JCPS will review the additional costs listed to ensure that similar costs are being compared for all banks being evaluated.

#### **General Banking for School Based Accounts:**

- 1. Cash and Coin please provide a definition of the unit volume. This is the total number of deposits in a month, or approximately one per business day. All school deposits are made in branches.
- 2. What does this represent in dollars? Daily deposit averages by level: High \$2,290; Middle \$850; and Elementary \$350.
- 3. How many checks do you deposit over the counter at the branch? Approximately 10,500 checks deposited into our Food Service account. Please refer to the account analysis statements in a separate attachment.
- 4. How many bags do you deposit via night drop? None.
- 5. How many checks do you deposit via night drop? None.
- 6. How many schools have the ability to take advantage of the School Based account pricing? I'm not sure I understand this question. The number of schools that may change to a different bank based on the results of this RFP is a factor of pricing, proximity, and other factors as evaluated by each school. If some banks that currently are allowable no longer are an awarded bank, this will increase required school banking changes.
- 7. Please provide the address of each eligible School to perform a proximity study. We will perform this step as part of our evaluation; however, the list of locations with school bank accounts is provided as an attachment.
- 8. Will the School Based accounts require daily online access to view balances and transactions? No, not unless your proposal includes a recommendation to implement a cost-saving measure that includes online access. Daily access is not currently used.
- 9. Please provide a list of school locations, including address for school based accounts? The list of locations with school bank accounts is provided as an attachment.

ncludes a recor	ge the online ban mmendation to im	plement a cost	-saving measu	re that includes	online access.
